- A. The clinical setting is a high-risk area for exposure to patients with communicable diseases, to include exposure to human immunodeficiency virus (HIV) and hepatitis B virus (HBV). Protective procedures are taught and must be followed in the clinical setting. Covid 19 testing must be taken before start of clinical rotation.
- B. Respiratory Therapy courses are taken during daytime hours. Due to patient-care schedules, clinical days may be as early as **5:45 a.m.**
- C. A pre-entrance health form will be distributed with acceptance letters. Results of the medical examination must be reported on the designated health form, which is to be **submitted at the pre-clinical orientation prior to the Fall semester**. You may visit a private physician, clinic, health maintenance organization, or medical center for the medical examination.

- D. The pre-entrance medical examination includes a medical history, physical examination, and record of current immunizations. Verification of the following immunizations/tests is required of students: tuberculin skin test, varicella vaccination and/or titer, tetanus/diphtheria, measles, mumps, rubella, MMR titer, seasonal flu shot, and hepatitis B vaccination dates and titer if the series has been completed. Completion of this form is mandatory in order to continue on in the clinical phase.
- E. The hepatitis B vaccine is required and involves a series of three (3) injections. Students must have completed the first and second injection of the series prior to entering the hospital for clinical practice. Students must submit documentation following each injection to the Clinical Director. A physician must validate pregnancy or other health situations (i.e., allergies and nursing mothers), which may prohibit the use of the vaccine, and a waiver signed by the student.
- F. HIV testing is required of all students in the clinical phase of the program. Drug screening will be done randomly; students will incur cost of testing.
- G. Students will be required to take the seasonal flu shot once it becomes available in the fall.
- H. All courses in the Respiratory Therapy Department must be completed in the semester in which it is scheduled. Support courses may be taken prior to or concurrent with required Respiratory Therapy Program curriculum, each course of the program must be passed with a grade of "C" or better in the semester in which it is scheduled.
- I. It is your responsibility to have transportation to the assigned hospitals each semester. Clinical rotations occur in various clinical affiliates as listed below:
