Select **Internet** for the Instructional Method, if you are looking for a fully online course. (Section 400)

The screenshot shows the SUSLA Banner Web Services Class Schedule Search page. The page includes a search bar, a "Class Schedule Search" heading, and a "NOTE" about selecting at least one subject. The "Subject" dropdown menu is open, showing a list of subjects including Accounting, Allied Health, Aviation Maint. Tech - PowerPlant, Aviation Maint. Tech - Airframe, Biology, Business Management, Chemistry, Communications/Speech, Computer Science, and Criminal Justice Admin. The "Instructional Method" dropdown menu is also open, showing options for "All" and "Internet". A blue arrow points from the text above to the "Internet" option. Other fields include "Course Number", "Title", "Credit Range", "Part of Term", "Instructor", "Session", "Start Time", "End Time", and "Days".

If you are looking for a Hybrid course choose **all** under Instructional Method, instead of internet, and look for the Section 600 courses.

Finally select Class Search and begin looking.
