Student's Identity and Statement of Educational Purpose Form

Your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Therefore, the Office of Financial Aid and Scholarships is required to compare the information reported on your FAFSA with any other required financial documents (This takes a minimum of 7 to 10 business days). Federal law requires this before awarding federal student aid.

- Bring this form to the Office of Financial Aid and Scholarships with original required documentation.
- If there are differences, your FAFSA information may need to be corrected by the Office of Financial Aid and Scholarships.
- The Office of Financial Aid and Scholarships may ask for additional information.
- If you have questions about verification, contact the Answer Center on your campus as soon as possible so that your financial aid will not be delayed.
