Voice Mail Instructions for AUDIX

First Time Voice Mail USERS'S Setup

- Step 1. Dial 9399 for the Audix voice mail system.
- Step 2. Enter your 4-digit extension.
- Step 3. When prompted to enter your password, enter the # symbol.
- Step 4. Think of five digits that are not consecutive and you will remember, enter them, and follow the prompts.
(No one else will have a record of your password.)

How to Check your Messages

- Step 1. Dial 9399 for Audix.
- Step 2. Enter your 4-digit extension and password.
- Step 3. Press 0 to listen to messages.
- Step 4. Press *D* to delete messages.
- Step 5. Press # to skip or save messages.

How to Set Up Other Greetings

- Step 1. Dial 9399 for Audix.
- Step 2. Press 3 to change/add greeting(s); you can leave up to 9 different messages for your callers. (For ex. "Hello, You have reached the Financial Aid Office. I'm sorry but we will be temporarily located in the Gym from August 21 – 29, during Registration). If you wish to leave a message, please do so at the sound of the tone. Thank you and have a great day.")
- Step 3. Follow prompts.

Tips: Setting Up Your Greeting

- Smile when you record.
- Provide your name, date, and availability to return calls.
- Ask callers to leave a detailed message.
- Provide alternative contact in the case of an emergency.

Sample Greetings:

“Thank you for calling the Telecommunications Department at Southern University Shreveport. You have reached the office of Chris Jackson. I’m sorry but I’m not able to answer the phone at this time, however, your message is very important to me. At the sound of the tone, leave a detailed message and I will get back with you as quick as I possibly can. If this call is of an urgent nature, please dial 0 for the operator.”

“Hello, you have reached Ms. Mary Chalmers in the office of Grants and Sponsored Programs at Southern University Shreveport. On Monday, I’ll be in a meeting all morning but I will be returning calls today after 1:00 p.m. Please leave your name, number, and a detailed message after the tone. Thank you for calling and have a nice day.”

“You have reached the office of Thelma Reed, Post Awards Coordinator for Community Workforce Development at Southern University Shreveport. I will be on vacation of from Monday, June 7, 2009 through Friday, June 11, 2009. If you would like to leave a message, please do so at the sound of the tone. I will be returning phone calls on Monday, June 13. If this call is of an urgent nature, please call Mrs. Smith at 670-6470. Thank you.”

Tips for Campus Phone Use

- ◆ Always listen and follow the prompts given.
- ◆ To reach Audix away from campus, dial 670-9399 and follow the prompts.

VOIP Phone Service

(Voice Over Internet Protocol)

Welcome to our New VOIP Telephone Services voice Mail set-up

A. Please review the tutorial on your VOIP Phone by following the instructions below.

- 1. Click on the Google website**
- 2. Key in Cisco Unified * 7911G IP Phone Tutorial**
- 3. Click on the Tutorial for the type of IP Phone you purchased (ex. 7911, 7965, 6921, etc.)**
- 4. A video Tutorial should pop up. Please view go through the tutorial before using your New VOIP Phone**

***Key in the type of VOIP Phone you have (ex. 7911, 7956, 7970, 6921, etc.) All VOIP Phones may not have a video tutorial.**

B. Welcome to Exchange Unified Messaging - Activating Voice Messaging on the VOIP Phones

To use your telephone to access your voice messaging, e-mail, and/or calendar updates, dial the access number (9399) and enter the default PIN# (default pin# is 9399), listen to the prompt. The access number is 9399 if you are calling from on campus. If you are calling from off campus, you must dial the full seven digits 670-9399 to reach your voice messages. The default pin # is also 9399. Please follow the example below. Your voice messages will show up on your computer through your e-mail account.

See example an instruction below:

	Your extension:	9612
	Your Default PIN:	9399

Sent by Microsoft Exchange Server 2007

1. Dial 9399
2. Enter your extension (9612)
3. Enter the Default pin (9399)
4. Listen to the prompt and follow the instructions to create your own personal 4 digit pin
5. When asked to choose an Option (email, calendar, or voice messaging) choose voice messaging to set up the greeting you want to use when you are not able to answer the phone.
6. If you choose email, the system will read your email messages, if you choose calendar, the system will read the appointments you have scheduled for today, etc.

Feature Tips

- **Please remember to fully delete all voice messages as soon as you listen to them** because the calls will take up space from your computer and cause your PC to become sluggish or prevent you from receiving messages. To fully delete the voice messages from your e-mail, right click on delete; arrow down to fully delete; click and select yes to permanently delete the message.
- **Remember, simply** pressing highlight and delete, **will not fully delete** the message out of your PC.
- **If you forget your pin number, simply enter a (4) digit number at least 4 times and the system will email you a new temporary pin number. You will be forced to create a new permanent pin number.**

SU BOARD MEMBERS

The members of the Board are appointed by the Governor of the State to overlapping six year terms. Their appointments are subject to confirmation by the Louisiana State Senate. The sixteen-member Board consists of two members from each of the State’s Congressional Districts, three members from the State at large and one student member.

The student representative, who serves a one-year term, is elected annually from the current presidents of the student body on one of the System’s three campuses or the Law Center.
