

## What Does It mean to be ELITE

When you think about **Elite**, what comes to mind? Being dressed, well mannered. Well **ELITE** means "Skillful, quality, professional"

Let's just break it down a little bit further.

**E** means being Educated enough to maintain good grades and to encourage a high academic excellence.

**L** means being a Leader by showing good moral standards and to offer assistance and services to the school and community.

**I** means being Intelligent enough to promote unity with brother and sister connection, also, to experience personal growth and development.

**T** means being Talented enough to adapt and help others to adapt to cultural or social events, other than the ones you are accustomed to, also, help boost self-esteem and offer support when needed.

**E** means being Elegant enough to carry yourself in a manner that will showcase the lessons that you have learned from being an Elite Club Member.

So now all you have to do is put all the letters together and you will get **ELITE**.
