1. Books and Supplies are additional out-of-pocket expenses. Therefore, students must bring money for the purchase of books and supplies. These expenses should not be included with payments for tuition and other related expenses. Such expenses may range from \$300 to \$700 per semester, depending on a student's major and class load.

2. Students receiving financial aid may have a credit to purchase books, 24 hrs after their fees have been accepted. The deadline to utilize this credit is June 13, 2018.

3. Students enrolled in clinicals are charged an additional clinical fee each semester.

4. Late fees are applied the first day of class if you did not accept your fees prior to the first day of class (June 13, 2018).

5. All classes will be purged if fees are not accepted or a deferment plan\*\*\* is not processed by the 7th day of class (June 13, 2018).

6. All online and hybrid courses will be assessed an additional \$10 per credit hour

\*\*\*Students may opt to defer a portion of their tuition by completing a Deferred Payment Plan (DPP). The DPP allows students to pay 30% of their tuition upfront and defer the remaining 70% until the end of the semester. Please see Tomeka Brown (tbrown@susla.edu) to complete a deferment plan. Students with a previous balance do not qualify for a deferment plan.
