#### Dear Prospective Graduate:

Our records show that you have earned enough hours to become a prospective graduate at Southern University at Shreveport (SUSLA)! You've made significant steps toward accomplishing your educational goals.

Our office has developed the 2018-2019 Commencement Guide as a tool to provide you with <u>all</u> details regarding graduation. Students with the intention to graduate Tuesday, May 14, 2019 must ensure the following are complete by April 4, 2019:

- All transfer credit hours are posted to your permanent academic record. Please note all official transcripts must be received and evaluated by the Registrar's Office.
- All course substitutions are submitted by your academic advisor.
- All credit for Credit by Experience and Credit by Examination (CLEP) results are posted to your permanent academic record. Please note an official copy of your scores must be submitted to the Registrar's Office.

Updates regarding deadlines, commencement preparation, and all other graduate-specific commencement information will be emailed to the email addresses on file in the Registrar's Office. You are strongly encouraged to ensure your email account is active.

Additional questions or concerns may be submitted to the staff of the Registrar's Office located in the Leonard C. Barnes Administration building, room A-02 or you may contact Mrs. Tamia Jefferson at 318.670.9240 or tiefferson@susla.edu.

Congratulations again on earning "prospective graduate" status and we pray you will have a successful academic year.

Sincerely,

Lalita D. Rogers, PhD University Registrar

# **PART I**

# BEFORE GRADUATION

## DISTINCTION BETWEEN GRADUATION AND COMMENCEMENT

**Graduation** is the completion of all graduation requirements and official posting of a student's degree to his/her academic record.

All coursework and all other degree requirements must be completed prior to the degree conferral date for the graduation term. A degree cannot be conferred unless all coursework has received a final grade (NOTE: "I" grades are not final). Students enrolled as a visiting student at another institution during their final semester must complete all course work and the final grade(s) at the visited institution must be submitted by the final grades deadline date for graduation candidates as stated on Southern University at Shreveport's academic calendar.

**Commencement** is the ceremony for participating students who are eligible to graduate. The university confers degrees at the end of the spring only. The commencement ceremony recognizes summer, fall and spring degree candidates.

**Note:** Participation in the commencement ceremony **DOES NOT** constitute official graduation from the university.

Additional information about graduation and the commencement ceremony can be found on the university's **All Things Graduation** page.

#### **GRADUATION PROCEDURES**

It is the responsibility of each student to become familiar with degree requirements, graduation requirements, and all other aspects of satisfactory academic progress. Each student is assigned an academic advisor to assist in planning course schedules and give advice on timely graduation planning. However, the ultimate responsibility for understanding and completing degree requirements lies with the student.
