Deferment Plans
Under the Deferred Payment Plan (DPP), a student may elect to defer up to 40% of their educational fees. Specific due dates are given at time of registration. The DPP requires that the student pay at least 60% of current fees assessed at the time of application. Any outstanding balance must be paid in full prior to this type of arrangement.

To request a deferred payment please contact the Bursar's Office at tbrown@susla.edu.

Previous Balance/Delinquent Accounts
Students that do not pay the total account balance in full by the final due date will have a financial hold placed on their record.

A financial hold (FH) restricts all university services, including future registration. If your account balance remains outstanding, the financial hold also prevents graduation as well as the processing of official transcripts.

Books and Supplies are additional out-of-pocket expenses. Therefore, students must bring money for the purchase of books and supplies. These expenses should not be included with payments for tuition and other related expenses. Such expenses may range from $300 to $700 per semester, depending on a student’s major and class load.

SUSLA offers 2 programs 100% online.
- Health Information Technology
- Business Management

The tuition rate for each program is $495.00 per credit hour.
