Dear Friends of SUSLA,

The Shreveport Alumni Association is pleased to invite you to join us for the "Legacy Builders Scholarship Banquet" to benefit Southern University at Shreveport, LA (SUSLA). The event will be held on October 17, 2019 at 7:00pm at Sam's Town in Shreveport, LA. The goal of this event is to raise funds to help remove barriers to education by providing scholarships for students attending, or who wish to attend SUSLA.

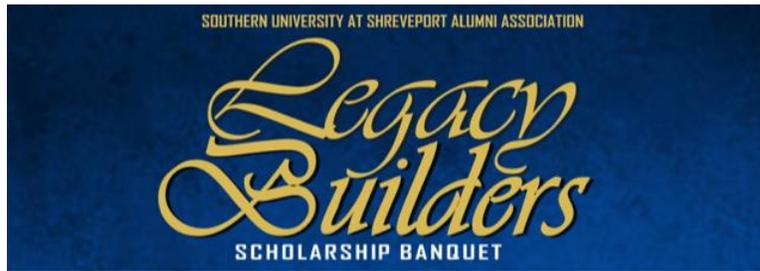

SUSLA serves approximately 3,000 students, awarding over 32 degrees and technical certificates which, prepare citizens for rewarding jobs in high-demand career fields including Nursing, Allied Health and Social Sciences, Business Technology and STEM, Aerospace Technology and more. This training allows citizens to develop their full potential and gain the skills needed to compete in a global economy.

As a proud graduate of the Southern University System (SUSBO and SUBR) I, along with my fellow Alumni Association members, invite you to partner with us in creating a *legacy of educational opportunities* at SUSLA. Proceeds from the event will establish the "Legacy Scholarship Fund". Each year awards will be granted to deserving students ensuring that access to education will endure for generations to come.

To purchase your tickets, reserve your table, or sponsor this event, go to www.eventbrite.com and search "Legacy Builders" **or complete the form on the next page and return with your payment.**

We thank you for helping to ensure educational opportunities continue at Southern University at Shreveport,

Tony
Anthony "Tony" Williams, President
