

ACADEMIC PLACEMENT:

The University requires all first-time, full-time freshmen to take the ACT (American College Test). Students who score 18 or higher in English, 19 or higher in Math, and 16 or higher in Reading are NOT required to enroll in developmental education courses. If the student's placement scores do not meet the criteria, the student is required to enroll in developmental courses in order to improve skills and maximize college success. Each division is responsible for the teaching of developmental education courses within its discipline. English faculty teach the developmental English courses and Mathematics faculty teach the developmental math courses. The following criteria are used to determine academic placement:

Test	English Sub-score	Math Sub-score	Reading Sub-score	Course Placement

Many students encounter a variety of personal, social, emotional, career, and academic issues that call for assistance. As a result, SUSLA has agreements with the “HOST” campuses to provide “wrap around” services to all SU College Connect students as follows:

- The Counseling Centers on the “HOST” campuses provide confidential counseling to students in a warm, caring, and atmospheric office.
- Professionally trained staff assists and treat students with sensitivity and dignity.
- A variety of seminars and workshops are planned and offered throughout the academic year to help students develop their overall academic plan.
- Services for students with learning, physical, and psychological disabilities are available.
- Counselors/Advisors, working with the SU College Connect Team, help to serve as a liaison between students and faculty.
- Each Connect student is assigned a “Mentor” throughout his/her enrollment in Connect.
