Southern University at Shreveport, a unit of the Southern University and A & M College System, a historically black comprehensive community college serving Northwest Louisiana and beyond, is committed to teaching and preparing traditional and non-traditional students for degree attainment, transfer, workforce, continuous learning and self-improvement. This preparation is available through multiple delivery methods and instructional sites for students seeking certificates, technical diplomas and associate degrees.

Southern University at Shreveport Department of Continuing Education offers lifelong learning opportunities for the community, businesses, organizations, and individuals interested in enhancing their quality of life through professional, cultural and other leisure learning enrichment opportunities which allow for personal growth and enjoyment.

*Classes are offered during the day, evenings, and weekends and will be provided when a reasonable number of students are enrolled.
Non-credit courses are open to interested individuals without regard to the eligibility standards for admission to regular college-credit programs*

INSTRUCTORS NEEDED:

If you have a hobby that you would like to share, a subject matter expert, and an energetic presenter, SUSLA welcomes new course proposals. Submit your proposal to slevingston@susla.edu or jgaliotos@susla.edu.

SUMMER CAMPS

Zero Waste Camp: Registration: \$300

Southern University at Shreveport in partnership with the Consumer Energy Education Foundation is offering the inaugural Zero Waste, Energy Conservation summer online camp. It will be filled with experiential, hands-on learning opportunities that focus on Energy principles around waste prevention that encourages the redesign of resource life cycles so that all products are reused. The program allows students to learn about the science behind energy and participate in fun and engaging activities that show them how they can help build a sustainable energy future. Participants will interact with industry leaders to learn about future energy career paths. Materials for all projects will be provided and distributed to participants prior to camp via participating schools.

June 21-25
SUSLA Campus

Engineering Camp: \$200

Students will be engaged with assembling, programming, coding, and operating complete STEM electronic projects (servo, stepper motor, sensors, breadboard, jumper wire, resistor, capacitor, transistor and much more...), and mechanical ones (Corvette and Ducati). The fee includes breakfast and lunch.

June 28-July 2
SUSLA Campus

iUban: \$667

iCode Session
iDesign - Design Thinking
iWrite - Technical/Creative Writing
iSpy - Cybersecurity

June 28 – July 23
SUSLA Campus

SUSLA STEM Camp: Registration: \$250

Southern University at Shreveport (SUSLA) is offering a STEM Camp that creates an environment in which K-5th grade students are exposed to Science, Technology, Engineering, and Math areas. Students are taught by certified teachers specialized in STEM fields. If you're looking for ways to engage your child in new and exciting experiences, SUSLA Stem Camp is the place. Students imagine, collaborate, explore and create, all while learning cool STEM skills that will help them in school and in life. In addition to teaching hard skills, for future careers, our STEM Camp fosters valuable 21st century life skills like problem solving and creativity. The registration fee is non-refundable.

June 7 – July 2
Mon – Thurs, 8 AM - 4:30 p.m., Friday 8 AM - 3 PM.
SUSLA Campus

Robotics & Green Energy: \$110

Students will be assembling, programming, and operating Makeblock intelligent and interactive robotics. Student will be exposed to fun learning STEAM activities that will stimulate their minds and interest with electromechanically projects. Breakfast and Lunch included in the fee.

June 28 – July 2
SUSLA Campus

Hydroponics Camp: Registration: \$250

Fun in the Farm & Farm to Table Experience for middle school and high school students.

June 7 - July 2
SUSLA Campus

Camp Aspire: \$140

Camp ASPIRE is an exciting 1-week summer arts day camp experience. Campers will enjoy theatre, dance, visual & music activities that will build their imagination, spotlight their talents, gain self-confidence, and learn new skills. A wonderful part of our camp is that every youth participant will be featured in the culminating Summer Showcase on the last day! Limited Enrollment.

June 21 – June 25 or July 26 – July 30
Southern University at Shreveport Museum of Art (SUMAS)

Aerospace Camp: \$125

The major goal of this camp is to demonstrate the importance and responsibility of maintaining, repairing and/or inspecting all types of aircrafts and similar equipment/vehicles. This summer camp will provide 10 students the opportunity to gain knowledge and insight into the field of aviation. The facilitator will arrange speakers and possible field trips to other locations regarding the program (i.e., Barksdale Air Force Base, KCS, Chey Land, etc.) The registration fee includes lunch/field trips, materials/supplies.

July 12 – 16 8:00 a.m. – 12:00 p.m.
Aerospace Technology Center – 1560 Airport Drive

Creativity and Coding with Apple: \$90

If you are creative and want to learn how to brainstorm and use software to design creative solutions to existing problems, then this camp is for you.

June 7 – 10; Time: 8:30 – 11:30 AM
Number of Spaces: 25; Grades: 6-12
Location: TBD

Using Apple Swift to Learn Coding: \$90

Do you want to learn how to make things move, jump, and generate new opportunities? If you have ever wondered how some of your games work and some your graphics come to life, then this is the camp for you.

July 21-24; Time: 8:30 – 11:30 AM
Number of Spaces: 25; Grades: 6-12
Location: TBD

Using Apple Keynote to Design Apps: \$90

If you have used PowerPoint, then you are going to love Keynote. From beginner to advanced, there are components in Keynote that can be used to design and create great presentations. We will use the program to show you how to design apps. If your app design is presented well, we will then work with coders to put the appropriate code and functions behind your app. This camp will show you how creativity and innovation lead to design, and function.

Time: 8:30 – 11:30 AM
Number of Spaces: 25; Grades: 6-12
Location: TBD

Kids Cooking at KICK: \$100

Participants will learn how to cook a kid-friendly recipe. The following will be addressed:

- Provide the ingredients, history, and culture of the dish.
- The science behind the cooking techniques used in preparing the dish.
- Include healthy ingredients in the dish.
- Background information about the chef.
- Interactive activities using the equipment, utensils, and food products.
- PowerPoint presentation that will outline the steps of the cooking process.
- Hands on cooking experience.
- Competitions or games! Prizes are always fun!

Instructor: Shreveport Local Chefs
Thursdays June 3, June 17, July 1, July 15 10 a.m. – 2 p.m.
Location: MS KICK 1210 Milam Street, Shreveport, LA

COMPUTER TRAINING

Microsoft Access 2016: \$129

In this course, you will learn to use all the features in Microsoft Access 2016 and be prepared to take the Microsoft Office Specialist certification exam. This Microsoft Access 2016 training class starts by covering basic database concepts. You will then learn to design and create databases and tables, query those tables, and create forms and reports. You will learn about database design and optimization, as well as advanced form customization.

Upon completion of this course, you will be prepared for the Microsoft Office Specialist Certification exam 77-730 (Access). This course offers enrollment with or without a voucher. The voucher is prepaid access to sit for the exam. Proctor fees may apply, which are not included.

For more information, [click here](#).

Intro to Microsoft Word 2019/Office 365: \$129

This course will introduce you to the 2019 version of Microsoft Word available through the Office 368 online platform. You will learn the basics of Word 2019 needed to write and edit text and to create, format, and organize documents. By the time you are done with these hands-on activities, you will be able to use Word with confidence at home or on the job.

For more information, [click here](#).

Intro to Microsoft Excel 2019/Office 365: \$129

If you want to learn the 209 version of Microsoft Excel, this course is for you. Through hands-on lessons, you will learn numerous shortcuts to quickly and efficiently set up worksheets. You will also learn how to use the function wizard to calculate statistics, future values, and more. In addition, you will get tips on sorting and analyzing data, crating three-dimensional workbooks, and automating frequently-repeated tasks with macros and buttons. By the time you're done, you will know how to use this vital Office 2009 tool.

For more information, [click here](#).

Intro to Quickbooks: \$129

Introduction to QuickBooks 2019 is designed to those to learn QuickBooks or those wanting a refresher with the latest version. In this 6-week online course, you will learn how QuickBooks makes it easy to set up a chart of accounts, create and print invoices, receipts, and statements; track your payables, inventory and receivables, and generate reports.

Apply. Advance. Achieve.

Use your MyCAA your benefit to earn certifications that are transferrable and portable across multiple stations.

It's time to focus on you. As an active military spouse, you may be eligible to receive \$4,000 tuition assistance through Military Spouse Career Advancement Accounts (MyCAA) to pursue career training and professional certifications for careers that are in-demand and portable as you relocate. Our courses are 100% online and allow you to learn at your own pace, from anywhere, and in between your busy schedule.

- Earn credentials for high-demand occupations in healthcare, veterinary medicine, business, information technology, and more.
- An Enrollment Representative will help you find a course that fits your goals and interests and apply for your MyCAA benefit.
- Certification exam fees are included in many of our courses.
- Your Student Advisor will provide personalized support during your course and help prepare you for your job search.

MyCAA Eligibility Requirements

- You must be the spouse of an active duty Army, Navy, Air Force, Marine, National Guard, or Reserve member in pay grades E-1 to E-5, W-1 to W-2, or O-1 to O-2.
- If your spouse is a National Guard or AGR Member on federal Title 10 active duty orders, you also may be eligible

Learn more about MyCAA benefits by calling (855) 520-6810 or visiting <https://courses.ed2go.com/mycaa?site=susla>.

HEALTHCARE

Certified Nursing Assistant (CNA)

The CNA program is designed to provide the foundation for further preparation in nursing and lifelong learning. Students will acquire competencies in the provision of activities of daily living, bedside care, and basic nursing procedures. Students successfully completing the classroom, skills laboratory, and clinical competencies will be eligible to write the Final Competency Examination. Successful writers will earn a certificate of Completion and will hold the credential “Certified Nursing Assistant”. Students will be admitted to the CNA program in two admission cycles during the spring and fall semesters, and one cycle in the summer semester. The course will be taught over a 7 ½ week period. Students seeking admission must submit an application to the program no later than 30 days prior to the start of each session. SUSLA wants to assist you in starting a rewarding career in the healthcare field.

Lecture: Mon–Thurs, 8 AM–12 PM
Labs: Mon & Tues, 7 AM–1 PM
Metro Center, 610 Texas Street
Ages 17+

EPA JOB TRAINING

Southern University at Shreveport is recruiting qualified individuals for the EPA Job Training Program. Select individuals will receive licenses and certifications in the EPA field. Individuals must be 21 or older and have a high school diploma, high school equivalency diploma, or make a minimum score equal to tenth grade on the Test of Adult Basic Education (TABE).

JOB PLACEMENT ASSISTANCE IS ALSO A PRIMARY BENEFIT AS A TRAINEE IN THIS PROGRAM. IF YOU ARE UNEMPLOYED OR UNDEREMPLOYED, OR SIMPLY LOOKING FOR A CAREER IN A GROWING FIELD, NOW IS YOUR CHANCE TO MAKE A LIFE CHANGING DECISION.

Students Who Meet the EPA Job Training Criteria Have Access To:

HAZWOPER 40-hour Certification
OSHA-10 Certification
Asbestos Worker Certification
Lead Renovation, Repair, and Painting

Post-Secondary Educational Counseling
Life Skills Training
Career Development
Job Placement Assistance

TRAINING STARTS AUGUST 2021

COMMUNITY DEVELOPMENT

WHO WE ARE

Southern University at Shreveport (SUSLA) Community Development offers personal, professional, and customized trainings for our local community and youth ages 16-24. Community Development works to unite and empower community residents, business leaders, and governmental entities to develop and revitalize the community through the planning and implementation of programs that promote social, economic, and civic improvements for its businesses, residents and social institutions. Community Development partners with the City of Shreveport Community Development, the Fuller Center for Housing NWLA, Image Changers, MLK CDC, and many other community organizations to bring high demand training with a focus on Reentry and opportunity youth. Students build technical skills and soft skills, while paving the way to a full-time position upon program completion. Visit us at <http://www.susla.edu/page/community-development>

UPCOMING TRAINING

Environmental Protection Agency (EPA) Job Training Program, certificates offered in the following: Basic Orientation Plus / Environmental Literacy, HAZWOPER, Asbestos Worker, Forklift Operator, Manlift Operator, Mold Remediation, OSHA 10, Confined Space Entry, Asbestos Abatement, First Aid/CPR, Life Skills, and Career Readiness. Classes start November 2020, 6 weeks long, 270 hours total. Job placement assistance available! Contact Shanace Robinson, Director of Community Engagement & Initiatives, srobinson@susla.edu or 318-676-7852.
