How to Log-in to Moodle

1. Go to https://moodle.sus.edu/
2. Click **Login** in the top right-hand corner

You should then see the following screen:
Input the appropriate credentials in the user name and password fields.

Your username is: firstname.lastname@sus.edu (this is the same as your sus email you would have received from the Office of Admissions.)

Your password is: first 4 letters of your lastname & last 4 digits of your U# (if this does not work try using the last four digits of your social instead).
**IF YOU CANNOT LOG IN** go to [www.susla.edu](http://www.susla.edu) and scroll to the bottom of the page. Click on the **E-Learning page** link. Click on the “**problem for students**” link and fill out the form.

**Or** copy and paste this link in a browser or ctrl+click here: [https://docs.google.com/forms/d/1hyz6asZkJV4Pe7ntR_75n54q38aZiOuZca72WmDFTaQ/edit](https://docs.google.com/forms/d/1hyz6asZkJV4Pe7ntR_75n54q38aZiOuZca72WmDFTaQ/edit)

When successfully logged in you should see your Dashboard/Home Screen:

How to Access Brytewave and Pearson Book Codes?

Some of our courses at SUSLA utilize online e-books in the place of physical hard copy books. This is a way to minimize costs for students. The process for receiving your codes is meticulous and the steps must be followed properly. Failure to follow the steps could result in students not receiving their e-books on time.

Step 1: Log in to your sus.edu email.

Step 2: In the search bar type, “brytewave.” Students enrolled in courses that use e-books will have automatically received an email from Brytewave that contains their code for that course. Students will receive a separate email for each course that uses an e-book.

Step 3: Click on the brytewave.redshelf.com link contained in the email.
This will take you to the Brytewave site where you will need to create an account.

Step 4: Create your Brytewave account. When creating your Brytewave account, YOU MUST USE YOUR SUS.EDU EMAIL! Brytewave WILL NOT send your book code to any other email address. This is also for any other electronic services utilized by courses such as McGraw-Hill, Quickbooks, etc. You may choose any password, but the sus.edu email is mandatory. After creating your account, you may log in.
Step 5: Once you login, all book codes needed for that semester will be listed.

Click the link associated with your book code (click the 2nd option link), which will take you to the Pearson site where you will register and validate your book code (in steps 3 and 4 you registered with Brytewave access; steps 5 and 6 will register you for Pearson access).
On the Pearson site, click register.

Enter your course ID.
• Your course ID can be retrieved from your instructor through (1) email or (2) a link posted in the course on Moodle.

Step 6: Create your Pearson account. Similar to Brytewave, YOU MUST USE YOUR SUS.EDU EMAIL.
Step 6: Click access code. Here, you will enter the 31 character access code from the Brytewave website. Once you submit your access code you should be able to access your e-book for that course. Repeat step 6 for each course you have an access code for.

You can click here to view a video tutorial on Registering with Brytewave.
Grammarly

Exciting News for the entire University Community! You now have access to Grammarly!

Grammarly is an automated grammar tutor and revision support tool that works one-on-one with a student to develop essential writing skills, reinforce proper revision habits and prevent plagiarism.

Setting up a Grammarly account is extremely easy. Please instruct your students and faculty to do the following:

1. Go to grammarly.com/edu/signup
2. Provide your name, @susla.edu mail or @skymail.susla.edu, and password.
3. Check your inbox for the email and click on the activation link.

To make sure you get the most out of Grammarly, we have some additional features that allow using Grammarly when writing in Microsoft Word, in Internet browsers, in emails, and on the desktop!

MS Office plug-in: grammarly.com/office-addin

The MS Office plug-in conveniently adds Grammarly to Microsoft Word and Microsoft Outlook. When creating a document, Grammarly will appear on the right-hand side and provide suggestions, similar to the online editor.

The desktop app can be placed on your computer as a shortcut on your desktop to provide a quick and easy way to access Grammarly. Its usage is identical to the online editor.

Browser extensions

Chrome Extension: http://bit.ly/1vMojEh
Safari Extension: http://apple.co/1XuN2Hh
Firefox Extension: https://addons.mozilla.org/en-us/firefox/user/grammarly/

The browser extensions allow Grammarly to check writing entered in text boxes within a web browser, including the Gmail compose box.
