

Attention Students:

Students must attend **all** Fall 2020 classes and instructors must update your records in order to receive your full financial aid disbursement(s).

Your financial aid awards will be adjusted to reflect your reported attendance.

- If you have attended all classes and Attendance has **NOT been reported or left blank**, you will NOT be eligible for financial aid disbursement on September 16, 2020. **Please be aware that this is NOT the official refund date. The business office will administer refunds within 14 business days of this date.**
- Also, you will NOT be eligible for the full disbursement of your financial aid if your attendance has not been verified in one or more of your courses OR if you are enrolled in a course that begins in October.
- If your instructor reported your attendance by **September 14, 2020** and you have met all other requirements, you will receive a refund (if eligible) on the next processing date.
- **Please contact your instructors regarding attendance questions.** The Financial Aid staff will not be able to assist you with attendance issues.
- Students can check their LDAs in the Midterm Grades Section of your Banner Student Accounts. You must have a **"SH" for Show** in **ALL OF YOUR CLASSES** to receive your full financial aid disbursement.
- Refunds processed by October 2, 2020 will not include classes that begin in October (B-Term). Financial aid for courses that begin in October will be disbursed after attendance is verified.
- **Please refer all questions regarding refunds to the Bursar's Office (bursar@susla.edu). The Office of Financial Aid DOES NOT process nor administer refunds.**

****Dates are subject to change due to school closures, technical issues or other special circumstances****
