

PROGRAM GRADUATION REQUIREMENTS

To graduate from the Radiologic Technology Program at Southern University at Shreveport, students must meet the following academic and clinical criteria:

1. Academic Performance

- Students must earn a minimum grade of **“C” or higher in all professional (RADT) courses** to remain in the program.
- A grade below a “C” in any professional course will result in **dismissal from the program**.
- Students who fail a professional course **may reapply for readmission** in accordance with program policy.

2. Exit Examination

- An **Exit Exam** will be administered at the end of the **second Summer Term**.
- A **minimum average score of 77%** is required to pass.
- Students who do not pass the Exit Exam on the first attempt will receive a grade of **“I” (Incomplete)** and must attend **remediation sessions** led by program faculty.
- Students may retake the Exit Exam up to **three (3) times**, with **at least 30 days between each attempt**, during the interim period before the deadline to remove the “I” grade.
- If the “I” grade is not resolved by the published deadline, the student will **fail the course** and must **repeat the Seminar II course** during the following spring semester.

3. Clinical Competency Completion

- Students must successfully complete the **final challenge of the program’s clinical competency-based system**.
- Students will be **ineligible for graduation** until all required clinical education components have been satisfactorily completed and approved.
