**DATE:** June 8, 2022

**RE:** Updated Southern University System Coronavirus Notification Protocols

Effective June 1, 2022, the SU System has updated their Coronavirus Notification Protocols. A summary of the revised Protocols is below:

### Employees exposed to COVID-19

- 1.) Employee is required to wear a mask for ten (10) days.
- 2.) Employee will be required to get tested on the fifth (5<sup>th</sup>) day after exposure.
- 3.) Employee will be required to submit the test results to their campus HR department.

### Employees that test Positive for COVID-19

- 1.) Employees must isolate for five (5) days after the employee test positive for COVID-19.
- 2.) If the employee has a fever on the fifth (5<sup>th</sup>) day, the employee will continue to stay home until the temperature returns to normal.
- 3.) If the employee has no symptoms or your symptoms are improving, the employee can return to work on the fifth (5<sup>th</sup>) day. However, the employee will be required to wear a mask for five (5) days after they return to work.

Please refer to the attached Protocols if you need to report an incident. If you have questions, contact your Campus HR department.

Thanks.
